

Gagan Arora, Founder & CEO Vertex Group gets appointed as Senator for India at World Business Angels Investment Forum

India is now more connected with global investment markets

London, United Kingdom Nov 28, 2021 ([Issuewire.com](https://www.issuewire.com)) - As announced by the World Business Angels Investment Forum, Gagan Arora Founder & CEO – Vertex Group, has been appointed as Senator for India. Senator Gagan Arora will represent India at the Grand Assembly of the World Business Angels Investment Forum. The inclusion of India in WBAF provides a wide range of opportunities for India's start-ups, scaleups, and high-growth businesses and opens doors for economic development.

With this new appointment, India has joined the largest forum of the world's equity investment markets and will now be able to connect more with the global investors market, which will open up splendid opportunities for the country. Now local India angel investors, incubation centres, accelerators, private equity funds, co-investment funds, technology parks, corporate ventures, and aspiring entrepreneurs will have more opportunities to connect with global leaders in the same field.

The inclusion of India in WBAF provides a wide range of opportunities for India's start-ups, scaleups, and high-growth businesses and opens doors for economic development.

Baybars Altuntas, Chairman of the Board of Directors of the World Business Angels Investment Forum

says “As an affiliated partner of the G20 Global Partnerships for Financial Inclusion (GPFI), the WBAF supports start-ups, develops entrepreneurial ecosystems, and helps venture capital and companies connect with international companies, fin- techs and other relevant institutions. We are confident about our contribution to the economic development of the country by facilitating connections with entrepreneurial ecosystems. We strongly believe that India will soon become a country that can foster the development of its economy in a more entrepreneurial atmosphere.”

Gagan Arora, Senator for India said “As per a recent Nasscom report, The Indian Technology start-up landscape has evolved to become the 4th largest in the world. Since 2010 there has been a significant rise in the growth of startups and home to 3,000 technology start-ups. The World Business Angels Investment Forum (WBAF) is an international organisation aiming to ease access to finance for businesses from start-up to scale up to exit, with the ultimate goal of generating more jobs and more social justice worldwide. It is committed to collaborating globally to empower world economic development by creating innovative financial instruments for innovators, startups, and SMEs. I will be keen to contribute towards the WBAF global efforts to ease access to finance for entrepreneurs, promote gender equality, increase financial inclusion, and promote digital inclusion
