

Hip Hop Music Artist On One's New Track 'Cant Lose' is Stream of Musical and Lyrical Motivation

Music artist On One recently came out with the track, 'Cant Lose' in collaboration with C. ray that delivers an incredible stream of contemporary hip hop styles.

Spokane, Nov 8, 2021 ([Issuewire.com](https://www.issuewire.com)) - Hip hop artist **On One** teamed up with fellow rapper C. Ray for their newly released track, '**Cant Lose**'. The song displays an intense flavor of the genre and its potential to fly to new horizons in the coming generations. The track opens with a captivating guitar riff and soon picks up the groove leading the way to an outstanding musical stream. What

stands out in the project is the compatible spontaneity between the two artists who constantly push each other into making the production a magnificent feat. From the production induction to the whole structure, the track stands out for its incredible vigor and energy.

The track, '[Cant Lose](#)' is more than just a recreational experience for the audience. The lyrics pave the way for a thematic redemption that elevates everyone's minds towards a positive outlook. The themes and lyrical flow make for the best inspirational saga motivating the audience with its penetrative power. From the beginning till the end, the two artists stay on to make this song emerge as their best performance to date. The undulating groove and tunes meander into the depths of one's consciousness and allow complete closure for the listener.

Artist **On One** has been in the hip-hop game for a long time. He has garnered the expertise and experience to understand the genre from its depths. With numerous songs as well as albums to his name, he is just starting to create a global name for himself in the scope of hip hop and rap. Some of his other songs include 'Hurricane', 'Rewind', 'My Time', and 'Let It Be Known' among others. Follow his exclusive musical stream by following him on Spotify.
