

Hyon K. Schneider, MD, a Pain Management Specialist with Sports & Spine Pain Management

Get to know Pain Management Specialist Dr. Hyon K. Schneider, who serves patients in Havre de Grace, Maryland.

New York, New York City, Nov 2, 2021 ([IssueWire.com](http://www.IssueWire.com)) - A board-certified and fellowship-trained pain management specialist, Dr. Schneider is the Lead Physician at Sports & Spine Pain Management in Havre de Grace, Maryland. She is a compassionate person who pays detailed attention to her patients' pain in the context of life function.

Sports & Spine Pain Management is a Maryland-based physician's practice specializing in physical medicine and rehabilitation, interventional pain management, and sports medicine. It serves patients in Harford County, Baltimore County, Cecil County, and beyond.

Specializing in physical medicine and rehabilitation, interventional pain, sports medicine, and electro-diagnostic medicine, Dr. Schneider is one of the few doctors in the greater Baltimore and Harford County area who brings expertise in Botox treatments for patients with intractable migraines and spasticity.

Back in 2005, she earned her medical degree from the Ross University School of Medicine. She completed her internship at the Newark Beth Israel Medical Center and trained in the prestigious Interventional Spine and Sports Medicine Program at Mount Sinai Hospital in New York. She excelled nationally among peers to obtain a highly coveted dual fellowship in sports medicine and interventional spine.

An expert in her field, the doctor is board-certified in physical medicine and rehabilitation by the American Board of Physical Medicine and Rehabilitation, which was established in 1947 as the certifying body for the field of physical medicine and rehabilitation under the American Board of Medical Specialties.

A keen researcher, Dr. Schneider's research experience includes a multi-center clinical trial for regenerative therapy using platelet-rich plasma (PrP) at Mount Sinai School of Medicine. She also has numerous publications including journal articles and book chapters on the topics of rehabilitation medicine and pain management.

Pain management is a branch of medicine employing an interdisciplinary approach for easing suffering and improving the quality of life of those living with chronic pain. A pain management specialist is a doctor who specializes in pain medicine, focusing on the evaluation, treatment, and prevention of pain.

As a testament to her success, Dr. Schneider has been the recipient of the Compassionate Doctor Recognition (2015), and On-Time Doctor Award (2015).

When she is not caring for her patients, she enjoys playing the piano and spending time with her family. She is fluent in English, Korean, and Spanish.
