

Independent Music Producer SIR COG is a New Successful Hip Hop Artist who Has Dropped Some Remarkable Hip-Hop Songs

SIR COG is an artist who has a high attitude and bold lyrics to make some beautiful hip-hop and rap songs. This attribute makes him be named as a New Successful Hip Hop Artist.

Dallas, Nov 2, 2021 ([Issuewire.com](https://www.issuewire.com)) - Independent artist **SIR COG** is an immediate mind-engaging rapper whose first musical grooves and twists could attract many of the listeners of his songs. Moreover, the unpredictable musical move from this artist is the most exciting to listen to. The artist is now the main artist in the newly found music-recording label TKR Embassy Media. Therefore, in the songs '[They're Dying](#)' and '**They're Dependin' On Me**' the artist is trying to promote self-confidence with heavy intense music. The artist favors becoming independent and that is the reason he tries to experimentation with each of his music. Moreover, the artist also believes in the creation of hard content for the audience.

'**They're Dying**' is very hard content from the [New Successful Hip Hop Artist](#) lyrically as well as from the musical arrangements. It is well-crafted and highly intense music to motivate the listeners of this hip-hop and rap. However, his other song '[They're Dependin' On Me](#)' is totally different hip-hop and rap example from **SIR COG**. Starting with a high note and abrupt musical weaving throughout the music the hip-hop and rap of this artist have become colorful.

The nice thing for the audience is that he has launched some singles in the summer of 2021 and more albums will come in the further. Hence, some of the names of this artist's other songs are 'Wit My Pen', 'This Ain't No Joke', and 'The System'. On the Spotify and Soundcloud platforms, more

and more ecstatic hip-hop and rap songs by this artist can be observed. It would be nice to listen to more songs of this artist as each song does have different color and theme. However, you will never feel off track during the listen to his songs. Furthermore, [Facebook](#), [Instagram](#), and YouTube are social media sites where one listener can follow this artist in a regular way.
