New York City, New York Nov 15, 2021 ([Issuewire.com](https://www.issuewire.com)) - Well-versed in the field of hospital medicine, Dr. James is in practice at Novant Health Inpatient Care Specialists - Charlotte.

Back in 2004, she graduated with her medical degree from the University of Medicine and Dentistry of

New Jersey. She then went on to complete her internship and residency in internal medicine at the Indiana University School of Medicine in 2005 and 2007, respectively.

With over 10 years of experience in her field, the doctor is board-certified in hospital medicine and internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Hospital medicine is a medical specialty that exists in some countries as a branch of internal or family medicine, dealing with the care of acutely ill hospitalized patients. The primary focus is caring for hospitalized patients and co-management with other specialties. Hospitalists take an active part in medical care and ensure a safe discharge for the patients they take care of. They are being increasingly involved in administrative roles, given their expertise and collaboration with various teams in the hospital.
