The ABFM is a non-profit, independent medical association of American physicians who practice in family medicine and its sub-specialties.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

Dedicated to his patients and profession, Dr. Stasiewicz was honored by his patients with a Patients' Choice Award in 2009, 2015, and 2016. He feels it an honor and great privilege to serve his patients throughout the many years, and truly values each one.

Dr. Stasiewicz also enjoys playing tennis, photography, church, and traveling. He especially enjoys spending time with his wife Caroline, their 6 children, and 14 grandchildren.
