Sculpting, Dr. Fodero also provides his services at several medical centers in the area, including Morristown Medical Center and Overlook Medical Center in Summit.

The doctor's acclaimed career in medicine began after he earned his medical degree from the Yale School of Medicine in New Haven, Connecticut. He then went on to complete his residency in integrated plastic surgery at the University of Michigan in Ann Arbor.

An active member of the American Society of Plastic Surgeons, he is board-certified by the American Board of Plastic Surgery, whose mission is to promote safe, ethical, efficacious plastic surgery to the public by maintaining high standards for the education, examination, certification, and continuous certification of plastic surgeons as specialists and subspecialists.

Plastic surgery is a surgical specialty involving the restoration, reconstruction, or alteration of the human body. It can be divided into two main categories - reconstructive surgery and cosmetic surgery. A plastic surgeon's primary responsibility is performing surgical and non-surgical procedures and they use a variety of reparative and reconstructive techniques to get the job done. Dr. Fodero studies emerging technologies and best practices and uses his many years of experience to identify the best procedures to help patients look and feel incredible.

In addition to English, he speaks Spanish.
