

Kamlesh Sisodiya, MD, an Anesthesiologist/Pain Management Specialist with American Pain and Wellness & Ethos Medical Gro

Get to know Anesthesiologist/Pain Management Specialist Dr. Kamlesh Sisodiya, who serves patients throughout the State of Texas.

New York City, New York Nov 5, 2021 ([Issuewire.com](https://www.issuewire.com)) - A trusted anesthesiologist and Pain Management Specialist, Dr. Sisodiya is in practice at American Pain and Wellness, with an office in

Colleyville, Texas. The practice offers comprehensive, cutting-edge, pain management that is both high quality and cost-effective for patients and the healthcare system as a whole.

Furthermore, he serves as an attending physician at Ethos Medical Group in Irving, Texas. They provide the best results for a variety of medical conditions in a patient-centered atmosphere, with all specialists under one roof, working together for each individual patient's unique needs.

A Texan by choice, Dr. Sisodiya completed his undergraduate education at the University of Houston, and attended medical school at the University of Texas at San Antonio. He fulfilled his internship in internal medicine and his residency in anesthesiology at Geisinger Medical Center in Danville, Pennsylvania. Later, he completed a fellowship in pain management at Richland Memorial Hospital through the University of South Carolina.

With an unwavering commitment to his specialty, the doctor is board-certified in anesthesiology and pain management by the American Board of Anesthesiology (ABA). As the certifying body for anesthesiologists since 1938, the ABA is committed to partnering with physicians to advance the lifelong learning and exceptional patient care. Its mission is to advance the highest standards of the practice of anesthesiology.

Pain Management is a branch of medicine that uses an interdisciplinary approach for easing the suffering and improving the quality of life of those living with chronic and acute pain. Dr. Sisodiya specializes in Interventional Pain Management. This includes a wide variety of pain management techniques in the form of injection therapies.

Anesthesiology is the medical specialty concerned with the total perioperative care of patients before, during, and after surgery. It encompasses anesthesia, intensive care medicine, critical emergency medicine, and pain medicine. Anesthesiologists have the primary responsibility of monitoring the patient's vital signs during surgery. In addition to basic measurements such as pulse, blood pressure, and temperature, they measure the patient's respiration.

Recognized for his dedication to his field, Dr. Sisodiya has been the recipient of the On-Time Doctor Award (2015), Patients' Choice Award (2010), and Compassionate Doctor Recognition (2010).
