Sumatera Utara, Indonesia Dec 8, 2021 ([Issuewire.com](https://www.issuewire.com)) - Currently, KHALIL GIBRAN HSB is becoming one of the biggest media to work on the internet and on social media. One of them is by becoming a ringtone music maker and he has succeeded in selling his music to the world stream platform market such as Spotify, Apple Music, Dezzar, and other platforms. In his new podcast, Dan khalilgibranhsb himself tries to keep working even though he is bored but he keeps on being enthusiastic And he is active as a community with his friends at this time, he doesn't have a focused

goal. There are many things he still wants to aspire to. Starting to want to become another great music maker. And not only that. Khalilgibranhsb. A travel blogger, he has passed through how many cities in Indonesia, even in other countries.
