

Kimberly Davis-Seagle, MD, an Internist with MDVIP Mount Pleasant Internal Medicine

Get to know Internist Dr. Kimberly Davis-Seagle, who serves patients in Mount Pleasant, South Carolina.

New York City, New York Nov 17, 2021 ([IssueWire.com](https://www.issuewire.com)) - A prominent internist, Dr. Davis-Seagle is the Vice President and Managing Director of MDVIP Mount Pleasant Internal Medicine in South Carolina.

“With the experience and structure of the MDVIP wellness model, I look forward to giving my patients the very best medical care available. Being prompt with appointment times and giving patients the time they need and deserve is important to me. The ability to answer calls in a timely fashion is essential. I embrace the opportunity to know my patients better and have them, partner, with me in a wellness program custom fit just for that person. I am eager to work with those people that appreciate this refreshing improvement and positive approach to medical care” expressed Dr. Davis-Seagle.

Throughout her academic career, she graduated with her Bachelor of Science in Nursing degree from the University of South Carolina in 1981 and earned her medical degree from the Medical University of South Carolina in 1990. She then went on to complete her internship and residency in internal medicine at Allegheny General Hospital, Medical College of Pennsylvania in 1993.

On a professional level, Dr. Davis-Seagle is an active member of the American College of Physicians, the American Medical Association, the South Carolina Medical Association, and the Charleston County Medical Society.

Among her other roles, she is the Chair of the Performance Improvement Committee and serves on the Peer Review Committee and the Medical Executive Committee at East Cooper Regional Medical Center. In the past, she has been affiliated with Roper Medical Center and Trident Medical Center.

Among her prior academic appointments, Dr. Davis-Seagle served as an Assistant Professor at the Medical University of South Carolina.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.

Inducted into the Sigma Theta Tau National Honor Society, Dr. Davis-Seagle has been the recipient of the Forest Lake Rotary Club Scholarship, Lucy C. Hartnett Scholarship, National Dean's List, and “Best of the Best” Award by Moultrie News.
