

Laser Nurse Providing the Advance Laser Hair Removing Treatment

Advance Laser Hair Removing Treatment

New York City, New York Nov 18, 2021 ([Issuewire.com](https://www.issuewire.com)) - With over 20 years of experience, the Laser Nurse provides the highest level of safety and effectiveness. Each treatment is performed by a Registered Nurse using the Lightsheer Diode, the “gold standard” of laser hair removal. Treatments are extremely safe and effective on most skin types.

Each client receives a thorough consultation and is given realistic and clear expectations of what kind of results they can achieve. All questions and concerns are answered clearly and honestly with no rush.

[Laser Nurse](#) offers very competitive prices and can usually price match.

Laser Nurse is proud to have 100% positive reviews on Yelp, Google, and Citysearch. Voted top ten laser hair removal clinics in NYC on Citysearch and Yelp consistently since 2006.
