

Leawo Is Now Offering an Exclusive 30% Discount for UHD Drive Tool Throughout 2021 Black Friday Promo

Leawo Software kicked off 2021 Black Friday promo, valid before December 20, 2021, providing a DVD copy freebie and 30% off coupon for UHD Drive Tool.

Shenzhen, Guangdong Nov 24, 2021 (Issuewire.com) - As a flourishing and user-oriented media software company, Leawo Software focuses on media dissemination and utility software, ranging from 4K Blu-ray/Blu-ray/DVD practical programs to mobile software.

A few days ago, Leawo Company carried out its [2021 Thanksgiving & Black Friday Specials](#), lasting before December 20, 2021. During this promotion, everyone can obtain a DVD Copy freebie to back up DVD movies to blank disc or computer hard drive in 1:1 lossless full movie/movie-only backup mode. The method of getting this freebie is indeed simple as well, just choose the computer version first (Windows or Mac), fill out the blank box with your name and email address, and then click the "Get it Now" button.

More than that, Leawo has prepared an exclusive 30% discount for one of the flagship products - [Leawo UHD Drive Tool](#), which is designed to downgrade firmware on UHD-unfriendly Blu-ray drive to a compatible version so as to rip, copy and play 4K Blu-ray disc via certain third-party programs like [Leawo UHD Ripper](#), [Leawo UHD Copy](#) and [Leawo Blu-ray Player](#). Covering internal 4K Blu-ray drives with SATA interface, external 4K Blu-ray drives and external USB drives, Leawo UHD Drive Tool is designed to support the overwhelming majority of 4K UHD drive existing. Everyone can check the 4K UHD drives supported by Leawo UHD Drive Tool by referring to [this page](#).

Sometimes people encounter several problems while upgrading the firmware on a UHD drive, such as damaging the drive permanently or voiding the warrant. Hence, downgrading firmware on a UHD drive to a "friendly" version seems like a more wise solution. Under this condition, people can fully turn to

Leawo UHD Drive Tool and gain a flexible viewing experience.

Leawo UHD Drive Tool is now available with a 30% discount during the Black Friday promotion. That is to say, everyone can get Leawo UHD Drive Tool at the price of \$76.96 (Lifetime version), which is the lowest price of this item ever. Compared with the regular price tag of the Leawo UHD Drive Tool, people can save \$32.04 at once.

To acquire Leawo UHD Drive Tool as well as register it, everyone can refer to the step-by-step guide below:

- Pick out the compatible system version and click the “Buy Now” button
- Go to the order page and fill in the blanks with related info
- Submit the order
- Launch Leawo UHD Drive Tool and enter the register panel
- Copy and paste the registration code into a blank bar, then activate it
- Done
