

Legal Advisory firm Magna Law Corporation appoints new IP & Litigation Director for corporate legal advisory.

Technicorum

Singapore, Singapore, Nov 2, 2021 ([Issuewire.com](https://www.issuewire.com)) - [Technicorum Holdings](#), one of the world's foremost crypto-advisory and blockchain-service providers specialising in digital assets, as well as the successful incubator and creator of the innovative DeFi and NFT project [KingSwap](#), today announced that its appointed Singapore-based legal firm, [Magna Law Corporation](#) has appointed an IP & Litigation Director at its Fintech and DLT (Distributed Ledger Technology) (TMT Practice Group), litigation and

dispute-resolution department (Dispute Resolution Practice Group), where the focus is on ensuring that legal rights of clients are well protected.

The firm's litigation and dispute resolution practice is full-service and additionally specialises in fintech and DLT (Distributed Ledger Technology), helping clients work towards the settlement and resolution of disputes which involve cryptocurrency and digital assets transactions. As the legal advisors appointed by Technicorum Holdings, [Magna Law Corporation](#) also provides cryptocurrency consulting services, focusing on jurisdiction-specific legal, compliance, and regulatory issues.

Commenting on the addition to the firm's senior team, Mr. K V Sudeep Kumar, Managing Director and Head of Civil Litigation and Criminal law at Magna Law Corporation, said "I would like to welcome Maiyaz to the firm. His track record is excellent and his ability to creatively propose solutions for clients is impressive."

Newly-appointed IP & Litigation Director Maiyaz Al Islam has extensive experience in cryptocurrency and digital assets, including various fields of law, such as Intellectual Property, International Arbitration, Litigation & Dispute Resolution, Corporate & Commercial law, Conveyancing & Property Law, Employment Law, and Criminal law.

Maiyaz specialises in intellectual property, commercial litigation, arbitration, and mediation. He also has extensive experience in complex commercial transactions in the Environmental, Social, and Governance (ESG) space. Maiyaz currently leads the intellectual property function at numerous prominent organisations, and notably, he designed and drafted the entire Intellectual Property Law curriculum for a well-known educational institution in Singapore.

Maiyaz started his legal career in 2011 and graduated with a Bachelor of Laws (Hons) degree from the Faculty of Law at the National University of Singapore (NUS). He also holds a Journalism Degree (Hons) from the University of Wisconsin-Madison. Maiyaz was the first recipient of the Lee Suan Yew Speaker of the Year Award, and a two-time recipient of the Traffic Police Commander's Award; he was also formerly President at SINDA (Singapore Indian Development Association) Youth Council.
