

Maliha Nafees, MD, a Family Physician with Hartford HealthCare Medical Group Primary Care

Get to know Family Physician Dr. Maliha Nafees, who serves patients in Wethersfield, Connecticut.

New York, New York City, Nov 2, 2021 ([Issuewire.com](http://www.Issuewire.com)) - Dr. Nafees is a dedicated and diligent

family physician affiliated with Hartford HealthCare Medical Group Primary Care, serving the community of Wethersfield, Connecticut. Treating a range of conditions, she is eager to help the wider community receive the care they deserve.

Hartford HealthCare is Connecticut's most comprehensive health care network. It offers the full continuum of care with seven acute-care hospitals, the state's longest-running air-ambulance service, behavioral health and rehabilitation services, a physician group and clinical integration organization, skilled nursing and home health services, and a comprehensive range of services for seniors, including senior-living facilities.

Completing her undergraduate education at the Central Connecticut State University, Dr. Nafees graduated with her medical degree from the American University of Antigua College of Medicine. She then went on to complete her internship and residency at the Henry Ford Hospital, a program of Wayne State University School of Medicine.

With an unwavering commitment to her specialty, the doctor is board-certified in family medicine by the American Board of Family Medicine (ABFM). The ABFM is a non-profit, independent medical association of American physicians who practice in family medicine and its sub-specialties.

In order to stay up to date in her field, Dr. Nafees is an active member of the American Academy of Family Physicians, the American Medical Association, the Connecticut Academy of Family Physicians, and the Connecticut Association of Physicians of Pakistani Descent of North America.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

Speaking multiple languages, Dr. Nafees is fluent in English and Urdu.
