

## **Mark S. Miller, DPM, a Podiatrist with Toe-tal Family Footcare Associates**

Get to know Podiatrist Dr. Mark S. Miller, who serves patients throughout the States of California.

**New York City, New York Nov 22, 2021 ([Issuewire.com](https://www.issuewire.com))** - A skilled podiatrist, Dr. Miller is the President and Chief Podiatrist of Toe-tal Family Footcare Associates (TFFA), with office locations in San Diego, California & Las Vegas, Nevada.

Toe-tal Family Footcare Associates (TFFA) was founded in 1993 on the principle that quality and professional foot and ankle care can be made more convenient and personable to the patients most needing this type of care, the homebound and bed-bound patients. They have been serving these clients in the comfort of their own homes ever since.

Throughout his academic career, Dr. Miller graduated from Temple University College of Podiatric Medicine in 1989. After completing his surgical residency in Philadelphia, Pennsylvania, he served a career in the United States Air Force and retired as the Chief Podiatrist at Nellis Air Force Base in Las Vegas, Nevada.

Shortly after "retiring", he discovered a need that had been missing in the Las Vegas area and founded his HouseCall-based podiatry service. In 3 months, his small practice had grown into a thriving and in-demand mobile foot and ankle service. He relocated to San Diego in 2004 to attend a 1-year Wound Care Fellowship at the University of California, San Diego. He then founded a mobile podiatric medical practice and went on to study and, then, teach energy healing and received his Associate Pranic Healer Certification in 2013.

Podiatry is a branch of medicine devoted to the study, diagnosis, and medical and surgical treatment of a variety of disorders of the foot, ankle, and lower extremity. A podiatrist, also known as a podiatric physician or a foot and ankle surgeon, is a medical professional devoted to the treatment of disorders of the foot, ankle, and lower extremity. They can treat injuries and complications from ongoing health issues like diabetes.

Happily married, Dr. Miller enjoys spending time with his wife, Jackielyn, and their children, Pam and Rob. In his free time, he likes meditating, being outdoors, reading, teaching, and volunteering at many community service events.
