

Neyah Introduced Intense Kohl Kajal Eyeliner

Neyah brings to its customers a newly launched intense kohl kajal eyeliner, which will deliver a well-finished eye makeup look to all makeup lovers out there.

Maharashtra, Mumbai, Nov 2, 2021 ([Issuewire.com](https://www.issuewire.com)) - Neyah, a highly reputed makeup brand has introduced its brilliant new eye makeup product, i.e., the [kohl kajal eyeliner](#). Without perfectly drawn black eyes, good makeup lacks perfection and intensity. But obtaining complete perfection in the final makeover is highly dependent on the way you draw your eyes. Thus, an eyeliner comes to be a handy product for such purposes.

Whether you want to create a nicely finished cat-eye or have intense depth around your lash line and water line, a kohl kajal eyeliner can aid you anytime. So, Neyah has just launched their long-lasting and waterproof kajal, which will offer a very intense color with one simple swipe. This tug-free kohl kajal makes the application very smooth and soft around your eyelids.

Apart from a perfect color depth, the product also offers a nice satin finish that one can regularly use to get a beautiful look daily.

This kajal from Neyah comprises brilliant long-lasting formula, which lasts up to 16 hours. The rich coloration is obtained from its pigments. This product originated in India, includes high-quality ingredients, which will not harm your eyelids or skin.

Besides, with using this intense kohl kajal eyeliner, there will be no headache of smudging your eye makeup as the color will stay on the skin for long hours while keeping your eyes beautiful all day long. Also, with its long pen-like body, you can hold it conveniently and glide through your eyes effortlessly to create a ravishing look.
