

Oclean - Improve Oral Health through Technical Innovation

Black Friday Campaign

Vestal, New York Nov 22, 2021 ([Issuewire.com](https://www.issuewire.com)) - Founded in 2016, **Oclean** strives for excellence, is a company that's devoted to **improving oral health through technology and innovation**, advocating and promoting the concept of smart oral care in the industry.

And Oclean introduces quality, smart, and stylish oral care products ranging from sonic electric toothbrushes, professional cordless oral irrigator to toothbrush heads sterilizer to advocate the idea of a more complete and efficient oral care routine.

Our newly released two oral care products, **W10 and X Pro Elite**

Oclean W10 Water Flosser, Portable Oral Irrigator. Which can Standby for up to 30 days, have 5 flush modes and 4 performance nozzles.
