

Omar Wain, DO, FACOS, a General Surgeon with Long Island Surgical, PLLC

Get to know General Surgeon Dr. Omar Wain, who serves patients in Rockville Centre, New York.

New York, New York City, Nov 2, 2021 ([Issuewire.com](https://www.issuewire.com)) - A top professional in the field of general surgery, Dr. Wain works with patients at Long Island Surgical, PLLC in Rockville Center, New York. He specializes in laparoscopic surgery and cosmetic surgery.

Long Island Surgical, PLLC is a patient-first healthcare practice. They believe that treating patients in a proper bedside manner and providing time to ask questions and receive answers is key to a low-stress environment and proper recovery.

Academically, Dr. Wain graduated with his Doctor of Osteopathic Medicine degree from the Touro College of Osteopathic Medicine. He completed two consecutive internships at the Peninsula Hospital Center and the Northshore Plainview Hospital and completed his residency at the Flushing Hospital Medical Center. Later, he completed a fellowship in cosmetic surgery at the New Look New Life Surgical Arts Program.

Distinguished as a Fellow of the American College of Osteopathic Surgeons (FACOS), the doctor is board-certified in general surgery by the American Osteopathic Board of Surgery (AOBS). The AOBS is an organization that provides board certification to qualified Doctors of Osteopathic Medicine who specialize in the use of surgery to aid in the diagnosis and treatment of disease.

Remaining up to date in his field, Dr. Wain is an active member of the American Osteopathic Association, the American Academy of Cosmetic Surgery, the American College of Surgeons, and the Medical Society of the State of New York.

Among his other roles, he can be found on staff at Mercy Medical Center, Mount Sinai South Nassau, and St. Joseph's Hospital.

General surgery is a surgical specialty that focuses on abdominal contents including the esophagus, stomach, small bowel, colon, liver, pancreas, gallbladder, appendix and bile ducts, and often the thyroid gland. A general surgeon performs a wide range of abdominal surgeries for many forms of intestinal and abdominal wall neoplasms, gallbladder disease, gastric and pancreatic disease. They follow the patient through critical care and surgical recovery all the way to outpatient care.

Speaking multiple languages, Dr. Wain is fluent in English, Urdu, Punjabi, and Hindi.
