

## Philazon Announces a Platform to Link Patriot Vendors to Patriot Buyers

Philazon is a new platform to accommodate patriot owned-business running their small businesses and reach more customers across the United States. Monthly and annual memberships are available to get more advantages.

**Scranton, Pennsylvania Nov 10, 2021 ([Issuewire.com](https://www.issuewire.com))** - Philazon, a new patriot-owned business directory run by patriots for patriots, announces its grand opening. The platform is ready to accommodate patriots having businesses across the United States. They have a wide range of businesses and services provided by patriots for patriots. Small businesses in the United States, including those run by US patriots, contribute at least 44 percent of economic activity in the United States. The statement is based on the 2019 report published by SBA (Small Business Administration). It creates two-thirds of new jobs and delivers 43.5 percent of the United States GDP (Gross Domestic Product).

*"Every order of an American-made product strengthens our economy. By supporting small businesses, you also give hard-working entrepreneurs the opportunity to provide for their families. Philazon is a*

*business platform run by patriots, and their business market is fellow patriots. We committed to connecting patriots in the United States to showcase their businesses and provide quality products for fellow patriots without hassle. If you are a US patriot, you can join the platform and list your product and service to attract more customers. The Patriots who share their products and services here at Philazon are committed to quality and our belief in the values that keep our country moving forward. Together, we can make a big impact in our communities,”* said Philazon CEO Phil Godlewski.

Philazon is a business platform in which patriot entrepreneurs can showcase their business and services to patriots who want to support American entrepreneurs. The members of Philazon can list their business and service complete with business name, description, product listings & photos, website/social media links, contact email/phones, and location maps. The membership cost starts from \$25 for STANDARD membership and \$50 for PREMIUM membership. Philazon also offers a subscription service where Patriots can order monthly deliveries of its products at wholesale prices. This way, patriots can save their money by purchasing the entire year upfront.

## About Philazon

Philazon is a business directory platform designed for patriot entrepreneurs in the United States. The platform aims to support patriot entrepreneurs running their businesses and services to grow and thrive as well as supporting the US economy. Choosing businesses and services from patriots helps them economically rather than purchasing American-made products from the marketplace does not contribute to patriots and their families. Philazon has partnered with a direct-to-consumer company that offers high-quality, sustainable, and effective products that deliver directly to the buyers.
