

Recode Studios Launched Kajal Cum Acute Eyeliner Collection

Punjab, Ludhiana, Nov 2, 2021 (Issuewire.com) - Recode Studios is an emerging name in the beauty and makeup industry. They have launched a special collection of Kajal cum eyeliners. The new collection is going to break all the stereotypes of traditional kajal usage. For the last couple of decades, the black kajal has dominated the various parts of the beauty regime in India. But now the scenario has changed and a variety of shades are available in the market and women have started loving them all. Along with the Black kajal, Recode has more shades including Blue, Bronze, and more.

Let's have a look at the kajal collection by Recode Studios

Black Kohl Kajal Pencil - All that She Wants: The name itself defines the quality of the product as it is all in one for women of all ages. A waterproof and smudge-proof kajal can last up to 14 hours depending on your skin condition.

Turning Heads Crayon Gel Eyeliner cum Kajal Pencil: It's a special bold black and color splash kajal to brush up your eyes. Comes with intense color in a single gliding stroke. That's perfect for the top and bottom of your eyes as a gel liner.

Bronze Acute Eyeliner Pencil Cum Kajal: Perfect to apply to your upper and lower lash line. This one is for women who love to use something unique for eyelashes.

Plum Blue Kajal Cum Eyeliner Pencil Acute: Made in Germany, Plum Blue kajal is one of the [best kajal in India](#) and is specially designed for women who wish to look unique in Blue. Lasts up to 14 hours*.

Sketch Pen Eyeliner - Make a Point: One of the most versatile and modern sketch pen eyeliner for the beauties to get a precise modern look. The smudge and water-proof one is good to brush up your eyes with a bold look.
