

Rising DJ Factor Label's Latest Single, 'Sparking Night' Presents a Brilliant Collision of Contrasting Rhythms

Upcoming American music producer and DJ Factor Label explores the realm of diverse melodic patterns to form the versatile melody of his new song, 'Sparking Night'.

Galway, Nov 10, 2021 ([Issuewire.com](https://www.issuewire.com)) - Electronic music has progressed immensely over the years. With the help of creative artists like **Factor Label**, the genre has reached a higher level leaving other musical forms behind. He has released a brand new melody, '[Sparking Night](#)' revealing his exceptional talent and creative range. The track is a brilliant infusion of hard-hitting techno and

subtle progressive house and trance forming a symphony of pure acoustic perfection. From the beginning to the end the dynamic rhythmic flow offers complete entertainment and mental satisfaction to the listeners.

The multi-talented musician developed a likeness to music-making from a very young age. He learned his incredible music techniques by performing as a DJ for years and attending Berklee College of Music and Icon Collective. EDM has always been his favorite genre and he decided to pursue his career in the genre mastering house, techno, trance, and more. He is well-known for mixing elements from different genres and forming a hybrid melodic flow that separates him from the rest.

The gifted American DJ and music producer is currently working independently and challenging his own limitations every day. He thrives to be better with the release of each song by introducing newer elements and styles every time. **Factor Label** uses charming synths and instruments intermingled with rolling baselines to create the addictive melody of his latest composition, '**Sparking Night**'. Some of his finest works are '**Guide Me**', '**Lucky Me**', '**Majestic Arpeggio**', and '**Approaching**' among others. Listen to his soothing melodies on [Spotify](#). Follow him on [Facebook](#), [Twitter](#), and [Instagram](#) to stay updated about his upcoming works.
