New York City, New York Nov 16, 2021 ([Issuewire.com](https://www.issuewire.com)) - A board-certified family physician, Dr. Ali is the Founder of Aurora Women's Health & Primary Care in Pembroke Pines, Florida.

Aurora Women's Health & Primary Care was designed to teach women how to integrate healthy choices in the immediate environment & the internal constructs of the mind, body, and soul. It is a manifestation

of Dr. Ali's passion for primary care & women's health. Her experience & training helps women understand how to integrate both lifestyle changes & evidence-based medicine to achieve healthier goals.

Pertaining to her educational pursuits, she attended the Florida International University in her hometown of Miami, Florida, and received her Bachelor of Arts degree in Biochemistry. She attended medical school at USF Morsani College of Medicine, and completed her residency in family medicine at Atrium Health. Finally, she completed her medical training in Winter Park, Florida where she was Junior Faculty and became fellowship-trained in women's health & Obstetrics. She is also trained in aesthetics & obesity medicine.

Following her training, the doctor attained board certification in family medicine through the American Board of Family Medicine (ABFM). The ABFM is a non-profit, independent medical association of American physicians who practice in family medicine and its sub-specialties.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

In her free time, Dr. Ali enjoys spending time with her husband, 2 sons, and exercising. She is fluent in both English and Spanish.
