

## Slazzer Introduces Infinity Software to Fuse Advanced Automation with its Background Removal AI

The advertisement features a blue background with a collage of various images, including people, cars, buildings, and animals, all with their backgrounds removed. The word 'INTRODUCING' is written in large white letters at the top left. Below it is the Slazzer logo, which consists of a stylized 'S' icon and the word 'Slazzer' in a bold, sans-serif font, with 'INFINITY' in a smaller font below it. To the left of the collage, there is a list of four features, each preceded by a green checkmark. At the bottom left, there is a dark blue button with the text 'Learn More' in white.

# INTRODUCING

**Slazzer**  
INFINITY

- ✓ Unlimited Image Cutouts
- ✓ Unlimited Megapixel Output
- ✓ Unlimited File Size
- ✓ Works Completely Offline

Learn More

**kolkata, West bengal Nov 18, 2021 ([Issuewire.com](http://Issuewire.com))** - Slazzer announces today a new product named "Slazzer Infinity" that combines advanced automation with its artificial intelligence background removal platform. The new software is focused on automating workflows and offers unlimited image cut-outs with unlimited megapixel resolution in any offline environment.

Slazzer Infinity works on the majority of Mac/ Windows or Linux operating systems and when prompted will allow you to select an input and output folder with options to create a transparent, colored, or custom background for all your images. It will then work automatically 24x7, 365 days a year to remove image backgrounds in bulk with sequential processing.

"Slazzer Infinity is a breakthrough product and a world first in the photo editing industry that adapts to your workflow. Our ability to combine our AI background removal technology and automation in an offline environment with unlimited image processing is what sets this product apart" Deep Sircar, Co-Founder at Slazzer.

### **Slazzer Infinity Features:**

- 100% automation + AI to process unlimited image cutouts with unlimited megapixel resolution and unlimited file size
- Works completely offline
- Offers flexible machine license options

According to Technavio, the photo editing software market size has the potential to grow by USD 394.39 million during 2020-2024, and the market's growth momentum will accelerate at a CAGR of 8.09%. Slazzer, in particular, is carving a niche that has not been explored yet in the industry by combining Automation and AI together to connect workflows. It looks like a strategy that is in line with user demand for self-hosted photo management and it can give light to a new market segment that will focus on offline and automated image editing.

Slazzer Infinity is now available to order on its website <https://www.slazzer.com/infinity-app>

### **About Slazzer**

Slazzer, a leader in the Visual AI industry, has developed the most advanced vision algorithms to remove an image background automatically in just a few seconds. The company aims to make complicated tech simple and easy to use with tools that speed-up workflows and amplify creativity. To learn more about Slazzer, **Visit:** <https://slazzer.com>.
