

# SnapShots Selfie Studio Launches Its Studio at Partridge Creek

SnapShots Selfie Studio introduces its first studio inside The Mall at Partridge Creek. This studio has comprehensive facilities, including 3d arts, creative themes, illusions, and more.

**Clinton, Michigan Nov 18, 2021 ([IssueWire.com](http://IssueWire.com))** - SnapShots Selfie Studio announces its theme studio inside the Mall at Partridge Creek in Clinton Township, Michigan, 48038. The studio is scheduled to open in winter 2021, and everyone is welcome to visit and enjoy the studio facilities. The studio is a great place to take various instagrammable pictures and capture memorable moments with friends and families. *We are excited to announce our selfie studio that will be opening this winter. You've come to the right place if you love to share your selfies on your social media accounts. We have set up this studio to accommodate everyone who loves selfies and all communities of all ages to have fun taking beautiful pictures.*" Said a SnapShots Selfie Studio representative.

SnapShots Selfie Studio is a selfie museum designed with over 20 creative themes, amazing illusions, realistic 3d art, and various properties to choose from. In SnapShots Selfie Studio, visitors will have 45 minutes to take tons of photos, as many as they want, using their smartphone or camera. The museum is self-guided, which means visitors can explore the museum from corner to corner and take full control of their experience and take pictures for themselves. Museums are an interactive and fun way to get some new experiences.

SnapShots Selfie Studio is a family-friendly selfie studio for all family members, including pets. Small pets are allowed on Furry friendly Fridays. Children under 3 years are free with the purchase of an adult ticket. In this way, the enjoyment of the whole family will be obtained without exception.
