

Sorditcon – India's First 360° Green Consulting Company Launched In New Delhi - NCR

Sorditcon Private Limited, India's first 360° Green Consulting Company has started its operations in Gurgaon.

Gurgaon, Haryana Nov 24, 2021 ([IssueWire.com](https://www.issuewire.com)) - Sorditcon – [India's first 360° green consulting company](#), was launched in New Delhi – NCR region, India today. Venturing into the consulting sector, Sorditcon aims at providing expertise solutions with respect to companies' [CSR Strategy](#), CSR Compliance, and Reporting, CSR Recruitment along [Waste Management](#), Marketing, and Branding.

Previously, the company operated as an independent entity known as Sorditventure – focusing on digital marketing, along with a foot in the e-waste management sector as e-Junki. At present, they have expanded the mandate and have aligned their functions as a green consulting company. Thus, [Sorditcon](#) now operates as a global expertise-driven CSR & ESG strategizing & implementation advisory firm.

Founded by young entrepreneurs Mr. [Devansh Chopra](#) and Mr. [Aditya Rai](#), Sorditcon aims at reaching great heights in green consulting. Currently, the company partners with Indian as well as global organizations and focuses on identifying the areas of improvement in terms of their CSR policies and aligning them with their business operations to magnify the impact.

Speaking upon the launch of Sorditcon, the Founder of the company Mr. Devansh Chopra said, “We are glad to have taken our first step in the green consulting sector with the launch of Sorditcon. Our primary objective is to increase awareness among companies on Environmental, Social and Corporate Governance (ESG) as well as [Corporate Social Responsibility](#) (CSR) thereby creating a sustainable environment for everyone.”

Additionally, Mr. Aditya Rai, the Co-founder of Sorditcon stated, “Sorditcon's vision is to become the leading advisor in the [green consulting](#) sector and provide solutions that will add value to the businesses. We have taken our first steps in this sector and are confident of delivering the best possible solutions as per our clients' requirements and necessities.”
