

"Targeted" The Documentary on Robert Fucilla

Robert Fucilla issues Legal proceedings against the CPS and Avon and Somerset police for malicious prosecution and misfeasance in public office.

London, United Kingdom Dec 4, 2021 ([IssueWire.com](https://www.IssueWire.com)) - Robert Fucilla is currently in development with the documentary "Targeted". Targeted is a thrilling true account of how the Police and CPS tried framing him. The documentary focuses on why the trial was malicious and lays out the evidence showing how they attempted to frame and mislead the courts.

Robert Joseph Fucilla is a British Financier and investor in Financial Markets. He was born the second of three boys in south London.

After completing his education in 2000, Fucilla began a career in investment management and finance in the City of London. By 2005 he opened his own trading and investment management company, dealing in private equities and the main Markets Stock Exchange, which he developed as the cornerstone of his business. In that time, he helped finance technology, oil, and mining projects all over the world.

In 2008 Fucilla executive-produced his first movie, The Big I Am, starring Michael Madsen and Steven Berkoff.

In 2017 Fucilla was maliciously targeted and investigated as part of a £7m investment fraud. Fucilla was acquitted by the jury and in 2019 he issued a multi-million-pound civil action, suing the CPS and Avon and Somerset Police for malicious prosecution and misfeasance in public office.

Since 2008, Fucilla has produced and executive produced a number of British films and managed the careers of many well-known Actors and Actresses. His reach as a talent agent stretches across the globe.

The documentary "Targeted" release date TBC.
