

THEMXXNLIGHT releases new single 'Blacked Out'

Wiz Khalifa's mysterious identical twin R&B duo releases new single on EMPIRE.

Los Angeles, California Dec 27, 2021 ([Issuewire.com](https://www.issuewire.com)) - THEMXXNLIGHT just inked a deal with EMPIRE to release single their new single 'Blacked Out' a follow-up to their wildly popular single "Naughty or Nice" ft Wiz Khalifa both produced by Sledgren of Taylor gang and PVLACE of 808 Mafia.

Akash & Krish Chandani are identical twin singers of Indian-American Ethnicity based in California. The twins played basketball and studied engineering at RPI, one of the top universities in the world. After

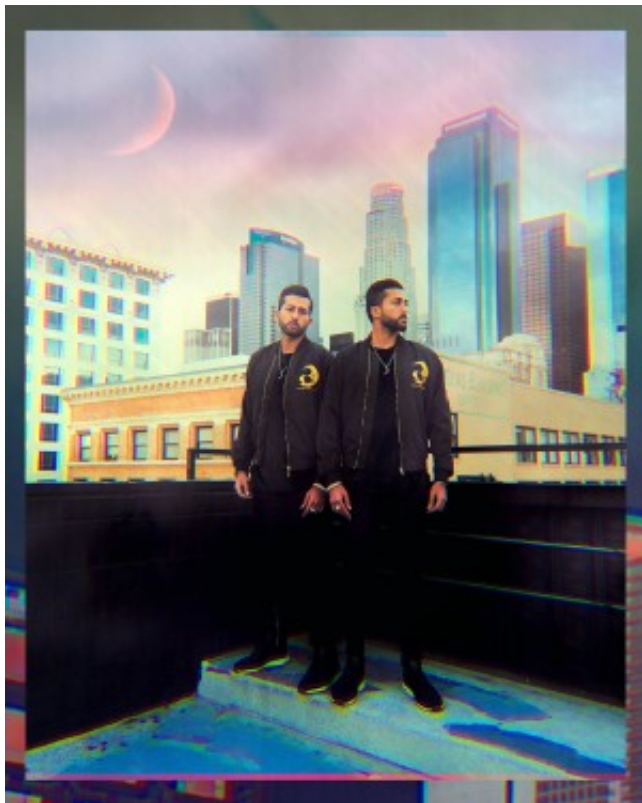

releasing a few original songs during the first few years of college, the twins were discovered online by Taylor Gang and featured on 5 songs released by Wiz Khalifa which have over 50+ million streams/views across platforms.

THEMXXNLIGHT has a total of 100M+ views/streams across all platforms. The twins signed an EP, non-exclusive deal with Sony Music India after going platinum in India with their single "Body Language".

The twin's debut album releasing in January will include major features from Wiz Khalifa, Kirko Bangz, Maliibu Miitch, with possible features from Megan Thee Stallion, Roy Woods, and others
