

Unfufu: Is Chasing Checks Working With Industry Greats Such As Bigga Rankin, Young Jeezy And Others

Los Angeles, California Nov 18, 2021 ([Issuewire.com](https://www.issuewire.com)) - Gregory Pulliam, Better known as [Unfufu](#) is an on the rise recording artist from Jacksonville, Florida. Rapping has been a passion of his since 1991 while in the Boys & Girls Club of America. A group called The Nike Crew also inspired young Unfufu to create music. In the early years of his career, he started with the name Kid Duce. As time developed his name changed to Mr, Murder then eventually Unfufu. During his career, he has released many mixtapes, singles, and street albums since his release from prison in 2011. Right now we can look forward to the release of his new single "Riding" featuring E'Class Nichelle.

Unfufu has a ton of amazing features on his projects such as Boosie BadAzz, Juvenile, Webbie, Shop Boys, Jeezy, and more. Unfufu is not only an amazing artist, but he has the first independent record label out of Jacksonville, Florida. He is always staying consistent with his craft. Currently, he is finishing up his album called "Corona". This project will have features from some of the greats including Jeezy, E'Class Nichelle, and Bigga Rankin. Just to name a few.
