

Wayline® wins award for its contribution in the skill development field by the PM Yuva Yojna

Kerala, India Nov 23, 2021 (Issuewire.com) - Wayline Management Consultants has just been awarded by the PM Yuva Yojna under the category of The Best Training Center, Faculty, presenter & Business plan. The master ceremony of the award was inaugurated by the minister of state for local self-government, rural development, and excise, Shree MV Govindan. Personalities like Dr. Poonam Sinha, Somesh Anand, Bindu VC, and more spoke at the online event.

The PM Yuva Yojna awards were given to those who have done excellent work as a part of the Kudumbasree Project in Kerala. This project transforms job seekers into successful entrepreneurs with employing capacity. Wayline® was recognized for its incredible work in helping individuals reach their true potential through different skill development courses. The organization is now expanding its reach to offer the students valuable skill development courses abroad.

Wayline® It is one of the leading NSDC Empaneled training partners that have been working with the skill development sector across India. The company not only helps young people acquire life-changing skills in different industries but helps them become an important part of the growing workforce across the world. They are working with Kerala's leading Nodal agencies like KASE, ASAP, Kudumbashree,

UPSDM, and MPSSDM. For more information, visit the website <http://www.waylineconsultants.com>.
