

50 Shots Beats Releases a New Masterpiece, 'Passion' featuring Money Man and Shy Glizzy

California, United States Dec 20, 2021 ([Issuewire.com](https://www.issuewire.com)) - Independent music composer, Brandon Pugh of 50 Shots Beats is a well-known name in the contemporary music industry. He has recently released a brand new number, 'Passion' on his YouTube, gaining the attention of global music lovers. The soothing yet hard-hitting rhythmic cadence of the track is bound to create a powerful connection with the audience. He has teamed up with fellow talented hip-hop artists Money Man and Shy Glizzy for the single. It was released on December 9th this year and has already become one of his finest works. Produced by 50 Shots Beats, the song is also written by Pugh himself.

Published by NEN Music, the song is composed by Brandon Edward Pugh as well. He has decided to spread his positive message about success and self-confidence through the thought-provoking lyrics of the audio release on YouTube, 'Passion'. The dynamic contrast between the different rhyming verses of the artists forms a brilliant symphony of acoustic perfection. The robust and soulful vocal presentation by the rappers takes the overall resonance of the track to the next level. With the help of the featuring artists, Money Man and Shy Glizzy, Pugh has produced one of his greatest works so far.

Brandon Edward Pugh has been an avid fan of hip hop since his younger days. His dream of becoming a successful hip-hop musician has come true. His work is spread beyond just making music and writing songs. The self-taught artist has been able to construct more than 1400 instrumentals with a record of 78 billion streams in total from compulsory licensing, under section 115 of the MMA for Mechanical Licensing. He has given the music world a wide range of sound kits and leases license under different packages. In the website's 50's Monthly MP3 Plan, users can download up to five tracks per month with

a standard license. In the 50's Monthly Wav Plan, the number of downloadable tracks remains the same with a premium lease license. In the 50's Monthly Unlimited plan one will get an unlimited lease license with up to five tracks downloads per month.

Pugh had opened 50 Shots Beats officially in 2020 with a large collection of original and high-quality compositions. They are offering new music all the time and they are available for single-leasing download. The songs are also available under multiple continual-licensing agreement packages with the addition of exclusive rights. Musicians can get their hands on the new compositions released on the site with a premium membership. Musicians and music producers looking for high-quality and catchy beats for their work can find their perfect match with the compositions posted on the website. Only the professionally crafted compositions, compliant with the Music Modernization Act (MMA) are licensed by 50 Shots Beats.

According to Brandon Pugh launching 50 Shots, Beats had been his lifelong dream. Describing 50 Shots Beats he said, 'The digital age created a whole host of new licensing issues that have only recently been addressed in law, especially with the MMA of 2017. Now though, artists, composers, and producers have the creative licensing they deserve for their art – allowing them to share that music with other artists for collaboration. And clients never have to worry about piracy here: 50 Shots Beats is fully MMA compliant. You can listen, purchase, download, and use – all worry-free. We've got you covered.'
