Delhi, India Dec 13, 2021 ([Issuewire.com](https://www.issuewire.com)) - A Branch Of Lead India Group - LILA Crossed 900K Subscribers On Youtube

Lead India Law Associates is one of the ventures of Lead India Group & provides a technology-driven platform to help their clients with complete legal assistance.

Lead India Group is an Indian media & legal company specialized in providing complete legal assistance.

There are three ventures of Lead India Group -

1) Lead India Media House

2) [Lead India Publishers Association](#)

3) Lead India Law Associates. Recently, the official youtube channel "Lead India Law Associates" has crossed 900K+ subscribers.

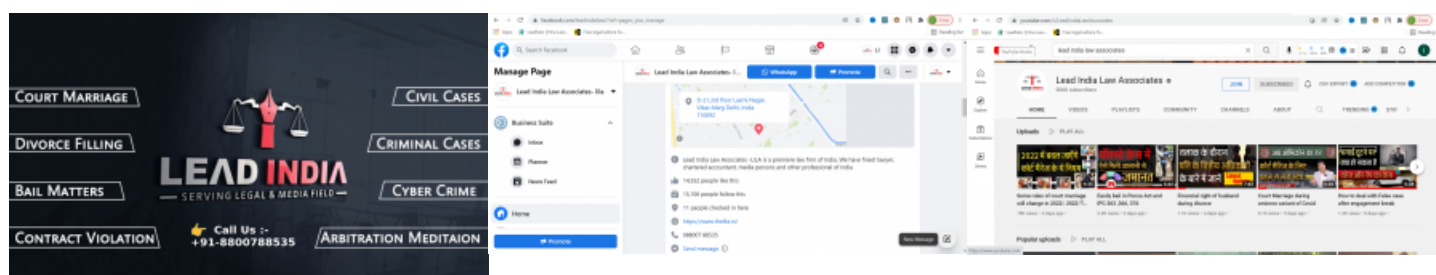

On the eve of the company's recent youtube success, Lead India Group founder Adv. Subhash Singh said, "It is one of the proud moments to reach 900K+ Subscribers on youtube. Our dream is not only aware the society about the laws but also provide them legal assistance"

Apart from Youtube, Lead India Group helped more than 15K+ people by providing them with complete legal assistance. Also, they are working continuously to help & guide people who need any legal assistance.

About Lead India Group: Lead India Group was inspired by the vision of the great leader & scientist Late Dr. APJ Abdul Kalam. The main objective of Lead India Group is to bring out the truth, be the voice of deprived citizens & express the news boldly.

Lead India Group was formed in 2007 as a media house that publishes newspapers in both the languages, Hindi & English with the list of all newspapers Lead India (Daily & Weekly), Inside Story & Sensex Times (Fortnightly).

2017 Onwards, Lead India Group started to serve in the legal field apart from the news agency & publishers association. [Lead India Law Associates](#) (LILA) was registered as Lead India Law Private Limited in 2021.
