

Adriana Lombardi, MD, a Dermatologist with Skin Cancer & Cosmetic Surgery Center of New Jersey

Get to know Dermatologist Dr. Adriana Lombardi, who serves patients in Edison, New Jersey.

New York City, New York Dec 8, 2021 ([Issuewire.com](https://www.issuewire.com)) - A highly trained dermatologist, Dr. Lombardi founded the Skin Cancer and Cosmetic Surgery Center of New Jersey (SCCSNJ) in 2018 with a vision of delivering the best in skin cancer treatment, cosmetic procedures, and laser techniques under one roof.

Based in Edison, New Jersey, SCCSNJ offers patients a state-of-the-art facility and a trusted healthcare resource. The doctor combines her passion for surgery and skincare with her commitment to patients' well-being. Whether she is designing a skin-care regimen or recommending a procedure, she always considers each individual's unique needs. She treats the unique medical needs of each patient using the most advanced methods. Her objective is to provide the highest quality patient care and experience in dermatology, surgical, and aesthetic services.

After earning her medical degree at the University of Medicine and Dentistry of New Jersey, Dr. Lombardi continued her training with a one-year internship in pediatrics at the Jersey Shore University Medical Center. She then completed her residency by serving as Chief Resident at New York Medical College. She also completed fellowships in Mohs, dermatologic surgery, lasers, and cosmetic procedures.

An authority in her field, the doctor is board-certified in dermatology by the, which is a voluntary, non-profit, private, autonomous organization formed for the primary purpose of protecting the public interest by establishing and maintaining high standards of training, education, and qualifications of physicians rendering care in dermatology.

Active in various professional organizations, Dr. Lombardi is a member of the American College of Mohs Surgery, the American Academy of Dermatology, the American Society of Dermatologic Surgery, and the American Medical Association.

Alongside her clinical role, she serves as a Clinical Assistant Professor within the Department of Dermatology at Robert Wood Johnson Medical School, a Fellowship Instructor at Affiliated Dermatology where she teaches surgical techniques, and the Co-Director at Advanced Laser and Skin Cancer Center.

The author of numerous peer-reviewed journals, Dr. Lombardi has been involved with many poster presentations around the country and oral presentations in New York. In addition, she has volunteered for various organizations, including Habitat for Humanity and the Special Olympics.

Dermatology is the branch of medicine dealing with the skin. The skin is the largest organ of the body. Dermatology is a specialty with both medical and surgical aspects. A dermatologist is a specialist doctor who manages skin diseases and deals with both internal and external causes and some cosmetic concerns involving the skin. Dermatological duties include taking consultations, providing screening tests, and undertaking non-invasive surgical procedures.

Among her various accolades, Dr. Lombardi has been the recipient of the Patients' Choice Award (2016), and On-Time Doctor Award (2016).
