

Ahsan Sattar, MD, a Neuroendovascular Surgeon with Neurosurgeons of New Jersey

Get to know Dr. Ahsan Sattar, who serves patients in Montclair and Livingston, New Jersey.

New York City, New York Dec 28, 2021 ([Issuewire.com](https://www.issuewire.com)) - Dr. Sattar is an endovascular interventional neurologist specializing in cerebrovascular disease treatment and prevention. He is affiliated with Neurosurgeons of New Jersey, serving patients in the Livingston area.

The doctor's surgical focus is on neuro-interventional procedures such as acute stroke thrombectomy, cerebral aneurysm coiling, and embolizations, arteriovenous malformation, and intracranial tumor embolizations, extracranial and intracranial angioplasty, and stenting.

Academically, Dr. Sattar earned his medical degree from the Aga Khan University of Karachi in Pakistan in 2007. After relocating to the United States, he completed his residency in neurology at the University of Wisconsin in 2013. He then joined the Medical College of Wisconsin, where he completed his

fellowship in vascular neurology and endovascular surgical neuroradiology.

An expert in his field, he is board-certified in neurology and vascular neurology by the American Board of Psychiatry and Neurology, which is a not-for-profit corporation dedicated to promoting high-quality patient care for the public through the initial and continuing certification of psychiatrists and neurologists.

In order to stay up to date in his field, Dr. Sattar remains a member of the Society of Vascular Interventional Neurology, the Society of NeuroInterventional Surgery, the American Heart Association, and the American Academy of Neurology.

In addition to his role at Neurosurgeons of New Jersey, he has the ability to treat and admit patients at the following area hospitals: Saint Barnabas Medical Center, St. Joseph's Health, The Valley Hospital, and Hackensack Meridian Health – Mountainside Medical Center.

Among his various accolades, Dr. Sattar has been the recipient of the Soref Research Fellow of the Year (2015), Citation for Medical Student Teaching (2011, 2012), and Francis M. Forster Award (2010).
