Get to know Ophthalmologist Dr. Alberto J. Aran, who serves patients throughout the State of Florida.

New York City, New York Dec 9, 2021 ([IssueWire.com](https://www.issuewire.com)) - A board-certified ophthalmologist, Dr. Aran is the Medical Director at Aran Eye Associates & The Laser Center of Coral Gables, with office locations in Broward and Miami-Dade areas.

Aran Eye Associates is a team of highly skilled eye care professionals working together to provide excellence in eye care in South Florida. Their conveniently located centers are equipped with the latest technological advancements, which enable their doctors to provide a broad range of effective diagnostics and surgical services.

The Laser Center of Coral Gables is a LASIK and Refractive Surgery Center in Miami, Florida. The center comprises a team of medical professionals and eye specialists within the state of Florida. They are trained to deal with a wide range of medical conditions related to the eyes, including astigmatism, presbyopia, cataracts, farsightedness, nearsightedness, and keratoconus.

With a vast clinical experience of over 80,000 surgical procedures and over 50,000 cataract surgeries, Dr. Aran was the first ophthalmic surgeon in Florida to use the FDA-approved Excimer Laser, and he has trained many South Florida physicians in the use of Excimer Laser technology over the years.

Throughout his academic career, graduated magna cum laude from Spring Hill College in Alabama and received his medical degree with honors from the Tulane University School of Medicine in New Orleans, Louisiana. He received his residency training in ophthalmology at Tulane University School of Medicine, where he also finished his internal medicine internships and completed his corneal and external disease fellowship.

Following his training, the doctor attained board certification in ophthalmology by the American Board of Ophthalmology (ABO). The ABO is an independent, non-profit organization responsible for certifying ophthalmologists in the United States of America. He is also board-certified by the American Board of Eye Surgeons.

Remaining up to date in his field, Dr. Aran is an established member of the American Academy of Ophthalmology and the American Academy of Cataract and Refractive Surgeons.

In his professional experience, he maintains surgical staff privileges at the Surgical Center of Coral Gables, North Miami Beach Surgical Center, Jackson North Medical Center, Foundation for Advanced Eye Care, and Eye Care and Surgery Center of Fort Lauderdale.

Active in academia, Dr. Aran serves as an Assistant Clinical Professor of Ophthalmology at Tulane University School of Medicine, and as an Adjunct Assistant Clinical Professor at the State University of New York and Nova Southeastern University.

Ophthalmology is a branch of medicine and surgery, which deals with the diagnosis and treatment of eye disorders. Ophthalmologists are experts in the diseases, functions, and anatomy of the eye. Ophthalmologists are also surgeons. They repair traumatic injuries to the eye and may perform cataract, glaucoma, and corneal surgery.

A dedicated family man, Dr. Aran has donated over 1,000 clinical and surgical hours to the indigent and impoverished since the beginning of his medical profession. The United States Congress has cited him for his selfless contributions to the needy. He is listed in Who's Who Amongst Outstanding Americans, and received the Belen Jesuit Prep's "Men For Others Award". He has also received awards from the United States Air Force, Bruce Heiken Fund, Florida Lions Club, Dade, and Broward County Optometric Associations. Most recently, he was presented with the prestigious "Hispanic Heritage Community Award" by the South Florida Council, Boy Scouts of America.

On a more personal note, he is fluent in both English and Spanish.
