

Amay Anil Patare is the Founder & CEO of Hits Production

Amay Anil Patare is a Indian Actor & Director

Mumbai. He has that spark in him which will take him to the mainstream cinema of the [Film Industry](#) as well as the IT Industry. he founded [Hits Production](#) in 2020, and today his film production is reaching the heights of the sky.

Our Marathi Film Industry has grown at a rapid pace in the last decade or so. Indian Cinema has reached every corner of the world in the previous decade. In movies, we need good actors & Directors who can take the film on their shoulders and India is lucky that now we have faces who are good looking and talented.

Many new faces have come, and many more are coming in 2022. We spotted Maharashtrian talent who is a young, good-looking, and promising actor & Director named Amay Anil Patare.

Amay Patare came to recognition from social media; his original post attracted many people on various platforms. He carries himself well in each look.

What's attracting people towards Amay? He has the charming looks and genuine personality of a raw Maharashtrian.

Amay Anil Patare is not only good-looking, but he is intelligent too as this lad knows how to grow in the digital world as a public face. Amay loves to try new things, and this habit brought him to the limelight. It will be interesting to see how Amay Anil Patare's life goes from here.
