Established in 1991, BIOCARE LABS, INC. is one of the pioneers in the vibrant multi-cultural industry. With over 50 years of experience in formulation, research, and development. BIOCARE LABS is responsible for many of the most widely used and efficacious skin and hair care products on the market.

BIOCARE LABS, understands that each person has unique needs and therefore cannot take a one-size-fits-all approach to develop products for your scalp, hair, skin & nails.

They have searched the globe and found the MOST AMAZING, the MOST EFFECTIVE, and MOST WONDERFUL organic oils that will make you say... WOW!

BIOCARE LABS welcomes WOWOils!™ to its family of high-quality products. From Detoxification to Strengthening to Growth to Shine and so much MORE. BIOCARE LABS gives you a line of professional quality oils made with organic ingredients to help you create skin & hair regimens that will bring excitement and wonder in every drop.

**WOWOils!™ Is Made Better Naturally! With Good For You Ingredients!**

These products are intended to help with Scalp, Hair, Skin, and Nail issues! Because every person has their own unique needs, the brand has a wide selection of specialized oils to address specific treatments, skin types, and conditions. The different oils includes: Green Tea, Tea Tree + Peppermint Oil, Black Seed Oil, Coconut Oil, Super Gro (Fenugreek, Avocado, + Mustard Seed Oil), Extra Virgin Olive Oil, Jamaican Black Castor Oil, Amla, and Argan, + Abyssinian Oil.

In addition to WOWOils!™, BIOCARE LABS has several hair care and skincare product lines like: StrongEnds™, Naturally, Clear Skin™, BodyButter™, AtOne With Nature™, AtOne Kids™, and Curls & Naturals™.

USA-based customers can shop these amazing products directly on [BIOCARELABS.COM](http://BIOCARELABS.COM). Customers outside the United States, can check for the WOWOils!™ Products and other BIOCARE LABS brands at their local retailers. BIOCARE LABS has also launched a new online resource and landing page for the WOWOils!™ products are also available at [BIOCARECABLS.COM](http://BIOCARECABLS.COM)
