

Brigitte Corredor Marquez, DDS, a Dentist with North Miami Dental Group

Get to know Dentist Dr. Brigitte Corredor Marquez, who serves patients in North Miami Beach, Florida.

at North Miami Dental Group in North Miami Beach, Florida. She is a very compassionate person, understanding and personable. She likes to get to know her patients and always follows up to make sure they are satisfied with their results.

North Miami Dental Group offers a wide range of dental treatment and services for the entire family from their state-of-the-art clinic. Their team comprises expert general dentists, orthodontists, cosmetic dentists, periodontics, endodontics, and oral surgeons who really care about patients' overall wellbeing. Their services span from dental checkups and routine hygiene sessions to the most complex dental implants and surgery.

A native of Venezuela, Dr. Marquez received her Doctor of Dental Surgery degree in 2012 from Universidad Jose Antonio Páez in Venezuela. Her passion for surgery led her to apply for a postgraduate program in oral and maxillofacial surgery in Argentina. In February of 2013, she was accepted to the program and successfully completed a four-year residency at Universidad Catolica Argentina, in Buenos Aires, graduating in December of 2016. During her residency, she also revalidated her dental degree in Argentina.

The doctor's ambitions to continue growing in her career brought her to practice in the United States, where she completed an AEGD program from the Florida Institute for Advanced Dental Education, also known as Community Smiles, making her a licensed dentist in Florida as well. In the second year of her residency at Community Smiles, she was named Chief Resident of her class.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

In her spare time, Dr. Marquez enjoys traveling, skiing in the mountains, and outdoor activities where she is surrounded by nature. Happily married, she and her husband have a dog, Gnocchi. She also loves horses and plans to get one soon. Speaking several languages, she is fluent in English, Spanish, and is very interested in learning Serbian.
