

Bruce W. Peters, DO, an Otolaryngologist with Ocean ENT Otolaryngology

Get to know Otolaryngologist Dr. Bruce W. Peters, who serves patients throughout the State of New Jersey.

New York City, New York Dec 20, 2021 ([Issuewire.com](https://www.issuewire.com)) - A New Jersey-based otolaryngologist with a passion for superior results and top-quality medical care, Dr. Peters sees patients at his private practice - Ocean ENT Otolaryngology - with offices in Manasquan and Toms River.

With his excellent results and sterling reputation, he commonly gets patients from all over the region. He has helped thousands of patients with their ear, nose, and throat and facial plastic needs. He has a special interest in nasal surgery and thyroid disorders.

Graduating with his Bachelor of Science degree in Biology from Albright College, Dr. Peters earned his Doctor of Osteopathic Medicine degree from the Philadelphia College of Osteopathic Medicine in 1989. He completed his residency in otolaryngology at Thomas Jefferson University and remains a Clinical Associate Professor at the institution.

Subsequently, he completed his fellowship in his sub-specialty interest of facial plastic and reconstructive surgery at the University of Miami, under the tutelage of the internationally renowned master facial cosmetic surgeon, Dr. Robert L. Simons, who helped prepare him for clinical practice.

Following his training, the doctor attained board certification in otolaryngology and facial plastic and reconstructive surgery through the American Osteopathic Boards of Ophthalmology and Otolaryngology-Head and Neck Surgery (AOBOO), which is a joint organization that provides board certification to qualified Doctors of Osteopathic Medicine (D.O.) who specialize in the medical and surgical treatment of the eye (ophthalmologists) and to qualified Doctors of Osteopathic Medicine who specialize in the medical and surgical treatment of the ears, nose, and throat (otolaryngologists).

Among his other roles, Dr. Peters is the Medical Director and Co-Manager of the Bey Lea Ambulatory Surgical Center, which serves as his outpatient and cosmetic surgical facility. He also has medical staff privileges at the Community Medical Center and Ocean Medical Center.

Otolaryngology is the oldest medical specialty in the United States. Otolaryngologists, also known as ear, nose, and throat doctors, specialize in disorders of the head and neck, ranging from hearing loss, to cancer.

On a more personal note, he enjoys family life with his wife, Carolyn, and their two wonderful daughters. He is an avid golfer and sport fisherman.
