Mesa, Arizona Dec 27, 2021 ([Issuewire.com](https://www.issuewire.com)) - [Gopower Elite Blender](#) is designed to make nutrient-rich smoothies and custom meal solutions. Launched on Indiegogo.com, the Gopower Elite Blender gives fitness enthusiasts access to the ultimate enjoyment of thick Shakes and Smoothies. The Gopower series of portable blenders offered a convenient way to blend on the move.

Equipped with a 1100W Elite motor and Vortex Blending System, the Gopower Elite Blender effortlessly pulverizes ice, powder, and frozen fruits into thick smoothies and protein shake. Thanks to its portable design, you can make the smoothie at home or take it with you on the go. It is also compact enough to fit easily in your handbag or anywhere in the office, gym or hotel.

At Cocinare, the details of the design are everywhere. Gopower Elite blender is minimalist, is not only professional but also portable. Every product has its own unique look and feels while keeping the Cocinare signature design. They focus on producing convenient and meaningful products for their consumers while making them attractive and fun to use.

With design being a core element of our company culture, they hope that their consumers can appreciate the difference that Cocinare products bring to their lives.

Cocinare products have won design awards at home and abroad, which means that their design concept has been recognized internationally. This makes them more confident to provide a better lifestyle to their valued customers and community at large & makes Cocinare awarded 2021 IF & Red Dot Awards.

Experience the next generation of GoPower Elite Blender. With this portable and powerful blender, you can enjoy your favorite smoothies, drinks, and shakes anywhere!
