

Contemporary London Based Artist Bate Nate H has Dropped his New Songs Which have Touched the Sky

Hails from London artist Bate Nate H has extended his vicinity by experimenting with his new tracks by trying out a new genre of music. Stay tuned to this artist!

London, England Dec 9, 2021 ([Issuewire.com](https://www.issuewire.com)) - The creative contemporary artist **Bate Nate H** aka Prince Nate who had a lot of fame in his underground music is now bending his genre of music and trying out the slime. It is a variation of rap. Bate is a new rising star of the industry who is taking contemporary music to another level. He has the capability of bringing a revolution in the music industry.

His new album '**Put A Crown On It**' is an exemplary album that has shaken the world of music. His skill of weaving lyrics and music together in a track is beyond anyone's reach. The catchy and groovy music of his song attracts more listeners. He makes all his music from his own experience so people relate to his music. His down-to-earth quality is one of the traits people admire the most. Most of his followers are very young and his music helps to shape themselves.

When the time was hard for everyone he gave all the phenomenal tracks at that time. His music such as - '**SOLID**', '**U CAN'T FADE ME ANTHEM**', '**Slime Smoke**' and '**Give it up**' give hope to people. Bate is a dynamic artist who has willingly taken the challenge to create some genuine music. All these songs of this latest album are created with thematic, vocal, and rhythmic aspects worth listening to. He is not only a musician; he is a YouTuber and a fashion influencer too. Creating art is his forte and there is no comparison with him.

Bate Nate H has given plenty of music in this very short time span, his songs: 'SOLID', 'U CAN'T FADE ME ANTHEM', 'Slime Smoke' and 'Give it up' are, therefore, getting more ears. All of his songs are available on Spotify so you can listen to these masterpieces anytime. Follow him on [Instagram](#), [Facebook](#), [Twitter](#), and [YouTube](#) for more updates on his upcoming projects.
