

Emantavius M. Williams, MD, a Family Physician with Phoebe Putney Memorial Hospital

Get to know Family Physician Dr. Emantavius M. Williams, who serves patients in Albany, Georgia.

New York City, New York Dec 23, 2021 (Issuewire.com) - A competent family physician, Dr. Williams sees patients at Phoebe Putney Memorial Hospital in Albany, Georgia.

The comprehensive network of physicians, nurses, and staff at Phoebe Putney Memorial Hospital

delivers high-quality healthcare to the residents across Southwest Georgia. They make family medicine and vital specialties accessible to their patients, so the communities they serve can focus on living well and being well.

Back in 2006, Dr. Williams earned a Bachelor of Science degree in Biology from Albany State University. He received his medical degree from the Ross University School of Medicine in 2012, and completed his residency in family medicine at the Phoebe Putney Memorial Hospital in 2016.

An expert in his field, the doctor is board-certified in family medicine by the American Board of Family Medicine (ABFM). The ABFM is a non-profit, independent medical association of American physicians who practice family medicine and its sub-specialties.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.
