

Eventmie Pro Fullyloaded Advanced Custom Addons

Advanced Custom Addons

Jodhpur, Rajasthan Dec 25, 2021 ([Issuewire.com](https://www.issuewire.com)) - [Classiebit](#) has launched a new version of its popular event management tool Eventmie, 'Eventmie Pro Fullyloaded'. It's the advanced version of Eventmie Pro, loaded with the most demanded features.

This all-inclusive event management solution platform gives organizers everything they need to organize an event meticulously. It handles the entire process from start to finish, providing value to both organizers and customers.

And provides full customization support for various new custom features add-ons. These add-ons are designed to create a customized experience for the event business site and the customers.

"Make your events stand out with your own fully-loaded event platform and accelerate ticket sales."

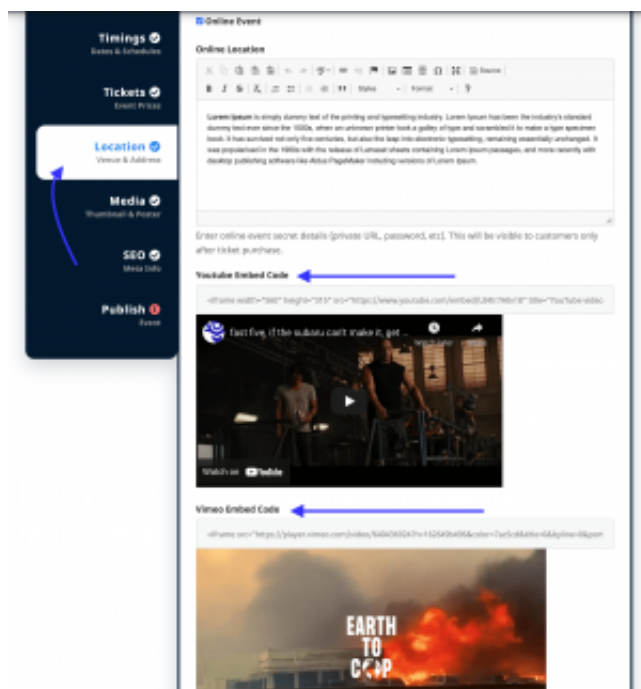

Here's the list of custom features addons to integrate into your website:

- Stripe 3D Checkout Payment Gateway
- Authorize.net Payment Gateway
- Twilio SMS
- Embed YouTube & Vimeo player
- MailChimp Integration
- Event-specific Currency
- Private Password Protected Event
- Reserved Seating System
- Fundraiser Event
- Invoicing System
- Dynamic Email Templates
- Bitpay Crypto Currency Payment gateway to accept Cryptocurrencies

& much more.

With Eventmie Fullyloaded, you'll get all you require in one place to create an even booking experience that everyone will talk about for a long time.

Eventmie Pro Fullyloaded is currently available at a Flat 50% OFF for a limited time. For more information on features, visit our website or mail us at **info@classiebit**.
