New York City, New York Dec 16, 2021 ([Issuewire.com](https://www.issuewire.com)) - Well-versed in the field of nephrology, Dr. Adeel is in practice at Mt. Auburn Nephrology, Inc. in Cincinnati, Ohio. He specializes in diagnosing and managing kidney diseases, hypertension, and kidney stones. He is an advocate for home dialysis modalities for patients with end-stage kidney disease in order to provide them with more control in their care.

Established in 1993, Mt. Auburn Nephrology, Inc. diagnoses and treats kidney disease. With four offices throughout Cincinnati, Ohio, they serve the Greater Cincinnati area. They uphold the highest standards of service and responsibility and are proud of their role as health-service providers to the Cincinnati community.

A native of Pakistan, Dr. Adeel graduated with his medical degree from Dow Medical College in 2015. Upon graduating, he relocated to the United States and completed his residency in internal medicine at the University of Toledo in 2019, followed by a fellowship in nephrology at the University of Cincinnati in 2021.

With an unwavering commitment to his specialty, the doctor is board-certified in nephrology and internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Nephrology is a specialty of medicine and pediatrics that concerns itself with the kidneys. It is the study of normal kidney function and kidney disease, the preservation of kidney health, and the treatment of kidney disease, from diet and medication to renal replacement therapy. Nephrologists have advanced training in treating kidney disease. They diagnose and treat kidney failure, as well as help patients by prescribing medications, offering special diet advice, and coordinating dialysis care or kidney transplantation when it becomes necessary.

On a more personal note, he likes to spend time with family and enjoy the great outdoors. He also enjoys reading non-fiction books. He is particularly fond of good music and is an amateur bassist.
