

Getting To Know Sarafino Upcoming Artist and Entrepreneur

Nairobi, Kenya Dec 31, 2021 ([IssueWire.com](https://www.issuewire.com)) - Augustine Sarafino “Sarafino” was originally born in Nairobi, Kenya. Sarafino and his mom moved to Louisville, Kentucky when he was six years old! He was born in a refugee camp from his family who is originally from South Sudan they were escaping the war that tore the country apart. His mother wanted him to have an opportunity to become successful so, moving to the USA sounded like the correct choice with all the opportunity, education, and resources that would be available. He owes everything to God and the many opportunities that he was given, that’s why he is at right now.

Success for Sarafino never came easily. He has a lot of personal issues that definitely got in the way of most of the goals he wanted to achieve! He has never felt like he was where he is now because of the many times. He has failed in life and learned many great lessons from each failure combine that with his faith, resiliency, and that’s a winning formula.

There’s never one proven method for success the advice he would give is to never give up and go through everything that gets thrown in his way. Sarafino states, “Always stay prepared because you never know when an opportunity will be presented and as long as you put God first you’ll always win”.

Sarafino is a music artist, an entrepreneur, and his running a sport performance and general fitness brand called GoDreamchase as far as his music and his versatility speaks for itself and he brings good vibes and meaning to my music! Sarafino states, “GoDreamchase is different from the rest because we strive to help 3 aspects Mind, Body, and Spirit we are committed to changing lives”.

Success to Sarafino is accomplishing a purpose that has nothing to do with having lots of money or a Fortune 500 career. Sarafino states, “It’s about finding your purpose and relentlessly going after it, if you’re happy and not just being content with your life then you are successful.

What is next for Sarafino

I’m working on a new album right now that I’ll be dropping at the beginning of 2022 and also working on opening up my Gym facility as well.
