"We love serving the communities the best pizza, donairs and garlic fingers out there and we are excited to grow again with Grinner's."

"Our franchisees are the heart and soul of our brand. We're excited to see Bob and Elaine continue their success and growth with us," said Don Moore, President of Grinner's Food Systems Limited, Franchisor of Greco Pizza. "As Atlantic Canada's favourite pizza and donair chain, we already have a strong presence in the St. John's area and adding a location to the growing Conception Bay South area is a natural fit.
