

# Helium Mining with Radio Network

## HNT Mining with Heliumrent

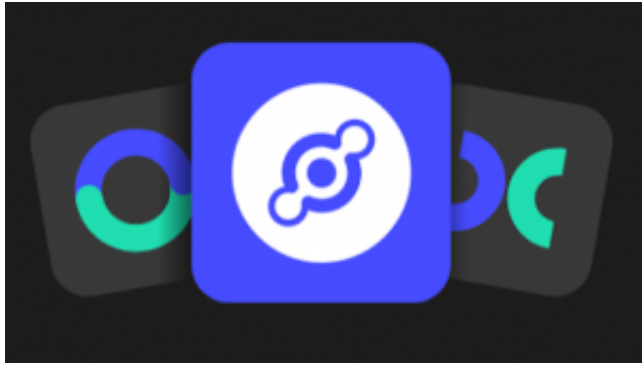

**Hong Kong, Hong Kong S.A.R. Jan 1, 2022 ([Issuewire.com](https://www.issuewire.com))** - Heliumrent is part of the „Association of Radio Network“ stations with antenna locations all over the world. The headquarter of the Association of Radio Network is based in Hongkong in the Mira Place Tower. As a result of the corona, most of our employees are working from home offices.

We have network coverages in more than 83 countries and increasing daily the network with new live mining hotspots for helium mining and data transfer.

You can see the daily increasing hotspots live here on <https://explorer.helium.com/hotspots>

By deploying a simple plan in your dashboard, you can provide the world with miles of low-power network coverage for billions of devices and earn the cryptocurrency HNT.

All plans are available on <https://www.helium.rent>
