

INORU Now Facilitates Extempore IDO Marketing Services To Progress Your Business

With Fine-tech Solution In IDO Marketing INORU Aid You With Ambiguous Opportunities To Grow Your business

Singapore, Singapore Dec 10, 2021 ([Issuewire.com](https://www.issuewire.com)) - New business ventures are exploring the market in a world that is getting along with Digitalisation and moving forward. Initial DEX offering is one such niche funding business in a wider spectrum. And with the growing demand for digital trading, there is a new spectrum it offers its users. Here, INORU has stepped into the process. We proudly announce to offer IDO Marketing for your business to track investors' attention and accumulate increased funding.

IDO Overview

IDO platforms operating on the decentralized environment. They list legit projects to gain the attention of investors to accumulate funding. This provides the entrepreneurs the opportunity to initiate their business in real-time.

With INORU, we help you market your blockchain-based business especially listed in the Initial Decentralised Exchange Offering platforms, and reach out to potential investors. We promote your business in multiple spaces to gain the attention of potential investors for the business in order to scale up and progress in mutual terms.
