

Jacquelyn P. Hogge, MD, a Radiologist with Radiology Associates of Richmond

Get to know Radiologist Dr. Jacquelyn P. Hogge, who serves patients in Richmond, Virginia.

New York City, New York Dec 15, 2021 ([IssueWire.com](https://www.issuewire.com)) - An established radiologist, Dr. Hogge is in practice at Radiology Associates of Richmond.

Radiology Associates of Richmond has a long and distinguished history, dating all the way back to 1905. Today, it has 55 physicians and eight physician assistants, and nurse practitioners. They partner with nine community hospitals, four freestanding emergency centers, and four outpatient imaging centers in central Virginia.

Back in 1990, Dr. Hogge graduated with her medical degree from the University of Virginia School of Medicine. She completed her residency in diagnostic radiology at the Medical College of Virginia Hospital.

An expert in her field, the doctor is board-certified in diagnostic radiology by the American Board of Radiology (ABR). The ABR is a not-for-profit physician-led organization that oversees the certification and ongoing professional development of specialists in diagnostic radiology, interventional radiology, radiation oncology, and medical physics.

Radiology refers to the field of medicine that uses non-invasive imaging scans to diagnose a patient. A radiologist is a physician who uses imaging methodologies to diagnose and manage patients and provide therapeutic options.
