**New York City, New York Dec 8, 2021 ([Issuewire.com](https://www.issuewire.com))** - Till 11.30, 2021, Jurllyshe had announced their sales statistics of the letterman jacket styles, the report showed that more than three pieces of the varsity jackets were placed by customers from all over the world. Jurllyshe's letterman jacket separates have led the Black Friday sales to a new higher level.

Jurllyshe's letter jacket has already become a star production, just 3 days after Jurllyshe launched their Black Friday sales, the sales of letter jackets have broken the separate item's sales record of Jurllyshe Black Friday. The letterman jacket takes 57% of all sales during Jurllyshe Black Friday from 11.22. As a trendy style this winter, the varsity baseball jacket just meets its best time, it is not difficult to predict the excellent trading situation. "It's about in June, When we recognize that the varsity jacket will be a new wave in this winter, we have designed and begun to process these kinds of styles, everything is just like what we had judged and prepared, the varsity jacket shows great grades in Black Friday week." Louis, the marketing manager of Jurllyshe said.

When investigating Jurllyshe's website, the reporter found that the letterman jackets in Jurllyshe are multiple, there are about 50 styles. Some of the letterman jackets were just launched, some were about to sell out. What attracts the reporter best are the fashionable print and innovative and contrast color design details, the keyword of each letterman jacket is "contrast", and Jurllyshe just defines the contrast

color letterman jacket perfectly. Many trendy elements and unexpected colors were used on the letterman jacket boldly, when adorning with the symbolic letter print, the letterman jackets are just showing their gorgeous characteristic and grace.

There are many styles of Jurllyshe letterman jacket, from the fabric to silhouette, customers may always find their favorite style. The bestseller of all the letterman jackets is the leather sleeves splicing fleece jacket, the cool letters are printed on the leather sleeves and the front chest, the thick fleece fabric is very warm, and two functional pockets are added on the two sides. Besides this style, some soft hand-feeling sweater baseball jackets are also in the Jurllyshe letterman jacket's collection, the high-quality print and cozy material make these styles so gorgeous. As for the silhouette, some letterman jackets are oversized and some are cropped, no matter the customer wants a hip-hop street style letterman jacket or a chic crop letterman jacket to smarten themselves, Jurllyshe can satisfy all of them.
