Get to know Plastic Surgeon Dr. Keith A. Perrine, who serves patients throughout the State of Ohio.

New York City, New York Dec 22, 2021 ([Issuewire.com](https://www.issuewire.com)) - A dedicated plastic surgeon, Dr. Perrine sees patients at his private practice - Preferred Plastic Surgery & Skin Care Center - with offices in Dayton, Vandalia, and Beavercreek, Ohio.

Throughout his academic career, he graduated with his medical degree from the Ohio State University College of Medicine and completed his internship at the Riverside Methodist Hospital. He then went on to complete his residency in general surgery at the Meridia Huron Hospital, followed by a residency in plastic surgery at the Kettering Medical Center / Wright State University.

Passionate about his profession, the doctor is board-certified in plastic surgery by the American Board of Plastic Surgery (ABPS). The mission of the ABPS is to promote safe, ethical, efficacious plastic surgery to the public by maintaining high standards for the education, examination, certification, and continuous certification of plastic surgeons as specialists and subspecialists.

Plastic surgery is a surgical specialty involving the restoration, reconstruction, or alteration of the human body. It can be divided into two main categories - reconstructive surgery and cosmetic surgery. A plastic surgeon's primary responsibility is performing surgical and non-surgical procedures, and they use a variety of reparative and reconstructive techniques to get the job done.
